Minnesota Farmers Union Camp Visitation

Attending camp provides a unique opportunity for campers to gain independence and self-reliance. It can be challenging for campers to readjust after a family/friend visit for both the camper and friends or cabin mates whose parents cannot visit, so we discourage frequent visitation.

If you do however still wish to visit camp below are the guidelines:

- Visit day is the Wednesday of camp and is between 11:00 AM and 4:00 PM. This is the only time of the camp week that visits are permitted.
- You must complete the form bellow and return it to the Education director by email (glen@mfu.org) at least three weeks before the camp you wish to visit.
- Individuals visit to camp is contingent on the approval of the President of Minnesota Farmers Union (Gary Wertish) prior to their visit.

Please fill out the following form if you wish to visit a camp this summer:
